Summary

Below is the synopsis of RSVP movies after analyzing IMDB data set.

1. In year 2019, total 1078 movies were produced of Drama genre. RSVP Movies should focus more on the 'Drama' genre fortheir international project with an average duration of 106.77 minutes considering their expertise.

2. Warner Bros, Marvel Studios and Twentieth Century Fox are major production houses basis number of votes received. RSVP movies should collaborate with them for global production.

3. There is possibility that Dream Warrior Pictures or National Theatre Live, or both could be their next project's production company.

4. In top three genres, James Mangold has given highest number of superhit movies, so should be the first choice of RSVP movies for there global direction.

5. Mammootty 1st rank or Mohanlal 2nd rank anyone of them should be hired as the actor for the next movie.

6. On the basis of total votes and average rating of 7.74 received for hindi movies released in India, Taapsee Pannu should be the first choice for an actress in upcoming project.

7. HIghest total votes and an average rating of 8.42 of all the moviesreleased in India, Vijay Sethupathi should be added to the cast to win hearts of the Indian audience for any coming project.
